1 October 2014

Dear Madam, dear Sir,

I should be grateful if you would kindly let me know whether my Transactor Plus account 1919571825 is currently still being administered at the Norwood branch of Nedbank. A Mr Peter Gottfried Otto of Somerset West, Western Cape, may wish to make a deposit into my Transactor Plus account 1919571825. In that event, if Mr Otto should enquire whether a credit can be received for my Transactor Plus account 1919571825, you may give him that information.

Further, please also inform me of the present balance on my Transactor Plus account 1919571825. In addition, I would like to know whether I will in the future be possible for me to give instructions for any funds on my Transactor Plus account 1919571825 to be remitted to other bank accounts in South Africa or elsewhere.

I look forward to receiving that information from you. In the meantime I remain with many thanks for your friendly attention and effort.

Yours sincerely
